	EFFECTIVE DATE: <u>November 1, 2010</u>
MASSACHUSETTS POLICE ACCREDITATION STANDARDS REFERENCED: 1.3.6; 1.3.7; 1.3.8; 1.3.13	REVIEWED BY: DATE: <u>January 1, 2012</u>

I. GENERAL CONSIDERATIONS AND GUIDELINES

The manner in which police department members use force is an extremely critical issue that generates intense public scrutiny. When these incidents occur they demand a thorough and complete inquiry into all aspects of the incident. Only through an exhaustive inquiry can the facts of the incident evolve and public confidence be maintained.

II. POLICY

Reportable Use of Force: It is the policy of this department to require a written report any time an employee:

1. Discharges a department issued or authorized firearm, for other than training or recreational purposes. The intention discharge of firearms for ballistic testing, or firearms maintenance shall be excluded from the reporting requirement. [1.3.6(a)]
2. Takes action that results in, or is alleged to have resulted in, the injury or death of another person [1.3.6(b)];
3. Applies force through the use of a lethal or less-lethal weapon [1.3.6(c)]; or
4. Applies weaponless physical force which results in an injury to either the department member or another person. [1.3.6(d)].

III. DEFINITIONS

- A. *Weaponless Physical Force*: The application of force and hand control techniques that have little or no chance of producing injuries when

gaining control over, or subduing non-compliant or resisting persons. These techniques include, but are not limited to: physical touching, gripping or holding, frisking, pain compliance measures, pressure point application, come-along hold, handcuffing or other custodial procedures.

- B. *Employee*: For the purposes of the application of this policy, any person officially affiliated with the department whether full or part time, sworn, civilian, special or auxiliary police, crossing guard, animal control officer, volunteer, or other.
- C. *Reportable Use of Force*: A level of force used by a member of this department which would trigger a report as directed under this policy.

Note: The use of handcuffs as a restraint; physical removal of peacefully resisting demonstrators; display of weapon (unholstering or handling of firearm or other weapon); discharge of a weapon to euthanize an animal, the presence of police department personnel or animals, or the use of verbal commands are not considered a use of force for this policy.
