Dear Senators Warren, Markey and Congressman Moulton

The Massachusetts Major Cities Chiefs Association has learned about the alternative methods being implemented in the Gloucester Police Department to combat the opiate crisis we are seeing in Massachusetts. We are sending this letter to convey that we consider these methods to be very promising and are looking forward to recommending their implementation in the cities we represent. We would encourage you to support the ideas of reducing demand of these opiates by focusing on the police related initiatives outlined in Gloucester.

Sincerely,

Brian A. Kyes
President
